2 Share capital

2.1 PDF Act requirements

Despite any other provision in this constitution, and only to the extent required by the Pooled Development Funds Act 1992, as so long as the company is registered as a Pooled Development Fund under the Pooled Development Funds Act 1992:

- (a) the division of the company's shares into classes is prohibited;
- (b) the issue or allotment of a share in the company, or a unit (as defined in section 9 of the Act) of such a share, is prohibited, unless the share is an ordinary share; and

- (c) the issue or allotment of a share in the company, or a unit (as so defined) of such a share, is prohibited, if the rights attached to the share would be different from the rights attached to other shares in the company that are still on issue.

2.2 Shares

- (a) Subject to this constitution, the directors may:
- (1) issue, allot or grant options for, or otherwise dispose of, shares in the company;
 - (2) decide:
 - (A) the persons to whom shares are issued or options are granted;
 - (B) the terms on which shares are issued or options are granted; and
 - (C) the rights and restrictions attached to those shares or options;
- (b) While Stapling applies, no shares may be issued unless there is a contemporaneous and corresponding issue of the same number of Attached Securities on the basis that the shares (which must be ordinary shares) are to be Stapled to the Attached Securities.
- (c) Shares may be issued, subject to the terms of this constitution and the constitutions of the Stapled Entities so long as Stapling applies, at any price determined by the directors.

2.3 Special rights

Subject to the provisions concerning Stapling, shares may be issued with those preferred, deferred or other special rights or with those restrictions, whether with regard to dividends, voting, return of capital or otherwise as the directors determine.

2.4 Partly paid Shares

- (a) Shares which are partly paid must only be issued with a contemporaneous and corresponding issue of the same number of partly paid Attached Securities on the basis that the partly paid shares (which must be ordinary shares) are to be Stapled to the partly paid Attached Securities.
- (b) The amount paid on a partly paid share must be proportional to the contribution paid in respect of the partly paid Attached Security so that the amount paid up in respect of the issue price of the partly paid share and the partly paid Attached Security are at all times proportional to the total amount due in respect of each.
- (c) Any issue of partly paid shares must be on the basis that a call will not be regarded as having been validly paid unless any amount payable at the same time in relation to the partly paid Attached Securities is also paid.

2.5 Issue price of Shares

Fully or partly paid shares in the company may be issued at any price so long as the price is consistent with the provisions of this constitution and the constitutions of the Stapled Entities (whilst Stapling applies) and with the Listing Rules and Act.

2.6 Effect of allotment on class rights

Subject to the provisions concerning Stapling, the rights conferred on the holders of the shares of a class allotted with preferred rights are not to be treated as varied by the allotment of further shares by the company ranking equally with them unless the terms of allotment of the earlier allotted shares expressly provide otherwise.

2.7 Preference shares

Subject to the restrictions in rule 2.1 (for so long as they apply to the company):

- (a) the company may issue preference shares including preference shares which are, or at the option of the company or holder are, liable to be redeemed or convertible into ordinary shares;
- (b) each preference share confers on the holder a right to receive a preferential dividend, in priority to the payment of any dividend on the ordinary shares, at the rate and on the basis decided by the directors under the terms of issue;
- (c) in addition to the preferential dividend and rights on winding up, each preference share may participate with the ordinary shares in profits and assets of the company, including on a winding up, if and to the extent the directors decide under the terms of issue;
- (d) the preferential dividend may be cumulative only if and to the extent the directors decide under the terms of issue, and will otherwise be non-cumulative;
- (e) each preference share confers on its holder the right in a winding up and on redemption to payment in priority to the ordinary shares of:
 - (1) the amount of any dividend accrued but unpaid on the share at the date of winding up or the date of redemption; and
 - (2) any additional amount specified in the terms of issue.
- (f) to the extent the directors may decide under the terms of issue, a preference share may confer a right to a bonus issue or capitalisation of profits in favour of holders of those shares only;
- (g) a preference share does not confer on its holder any right to participate in the profits or property of the company except as set out above;
- (h) a preference share does not entitle its holder to vote at any general meeting of the company except in the following circumstances:
 - (1) on any of the proposals specified in rule 2.7(i);
 - (2) on a resolution to approve the terms of a buy back agreement;
 - (3) during a period in which a dividend or part of a dividend on the share is in arrears;
 - (4) during the winding up of the company; or
 - (5) in any other circumstances in which the Listing Rules require holders of preference shares to be entitled to vote;
- (i) the proposals referred to in rule 2.7(h) are proposals:
 - (1) to reduce the share capital of the company;
 - (2) that affect rights attached to the share;
 - (3) to wind up the company; or
 - (4) for the disposal of the whole of the property, business and undertaking of the company;
- (j) the holder of a preference share who is entitled to vote in respect of that share under rule 2.7(h) is, on a poll, entitled to the greater of one vote per share or such other number of votes specified in, or determined in accordance with, the terms of issue for the share;
- (k) in the case of a redeemable preference share, the company must, at the time and place for redemption specified in, or determined in accordance with, the terms of issue for the share, redeem the share and, on receiving a redemption request under the terms of issue, pay to or at the direction of the holder the amount payable on redemption of the share; and

- (l) a holder of a preference share must not transfer or purport to transfer, and the directors, to the extent permitted by the Listing Rules, must not register a transfer of, the share if the transfer would contravene any restrictions on the right to transfer the share set out in the terms of issue for the share.

2.8 Conversion or reclassification of shares

Subject to rule 2.9, the company may by resolution convert or reclassify shares from one class to another.

2.9 Variation of class rights

Subject to the restrictions in rule 2.1 (for so long as they apply to the company):

- (a) The rights attached to any class of shares may, unless their terms of issue state otherwise, be varied:
- (1) with the written consent of the holders of 75% of the shares of the class; or
 - (2) by a special resolution passed at a separate meeting of the holders of shares of the class.
- (b) The provisions of this constitution relating to general meetings apply, with necessary changes, to separate class meetings as if they were general meetings except that:
- (1) a quorum is 2 persons holding or representing by proxy, attorney or Representative, at least one-third of the issued shares of the class or, if there is one holder of shares in a class, that person; and
 - (2) any holder of shares of the class present in person or by proxy, attorney or Representative, may demand a poll.
- (c) The rights conferred on the holders of any class of shares are to be taken as not having been varied by the creation or issue of further shares ranking equally with them.

2.10 Joint holders of shares

Where 2 or more persons are registered as the holders of a share, they hold it as joint tenants with rights of survivorship, on the following conditions:

- (a) they are liable individually as well as jointly for all payments, including calls, in respect of the share;
- (b) subject to rule 2.10(a), on the death of any one of them the survivor is the only person the company will recognise as having any title to the share;
- (c) any one of them may give effective receipts for any dividend, bonus, interest or other distribution or payment in respect of the share; and
- (d) except where persons are jointly entitled to a share because of a transmission event, or where required by the Listing Rules or the ASTC Settlement Rules, the company may, but is not required to, register more than 3 persons as joint holders of the share.

2.11 Equitable and other claims

The company may treat the registered holder of a share as the absolute owner of that share and need not:

- (a) recognise a person as holding a share on trust, even if the company has notice of a trust; or
- (b) recognise, or be bound by, any equitable, contingent, future or partial claim to or interest in a share by any other person, except an absolute right of ownership in the registered holder, even if the company has notice of that claim or interest.

2.12 Restricted securities

- (a) If, at any time, any of the share capital of the company is classified by the Exchange as 'restricted securities', then despite any other provision of this constitution:
- (1) the restricted securities must not be disposed of during the escrow period except as permitted by the Listing Rules or the Exchange;
 - (2) the company must refuse to acknowledge a disposal (including registering a transfer) of the restricted securities during the escrow period except as permitted by the Listing Rules or the Exchange; and
 - (3) during a breach of the Listing Rules relating to restricted securities, or a breach of a restriction agreement, the holder of the restricted securities is not entitled to any dividend or distribution, or voting rights, in respect of the restricted securities.
- (b) While Stapling applies, for the purposes of this clause 2.12, any restriction on a security also restricts any Securities Stapled, or to be Stapled, to that security to the same extent and in the same manner.

3 Issue of Options

3.1 Issue of Options

Options over unissued shares in the company may be issued only by the directors. The directors may issue or otherwise dispose of Options to those persons, including members, directors or employees of the company, determined by the directors.

3.2 Effect of Stapling

- (a) While Stapling applies, no Options may be issued unless there is a contemporaneous and corresponding issue of the same number of Options over unissued Attached Securities on the basis that the Options (which must be in respect of unissued ordinary shares) are to be Stapled to the Options over the Attached Securities.
- (b) While Stapling applies an Option may only be exercised if at the same time as shares are acquired under the Option the same person contemporaneously acquires on exercise of an option over an identical number of Attached Securities.
- (c) In all other respects the same rules as apply to shares under this document apply to shares to be issued on the exercise of an Option.

4 Alteration of share capital

4.1 Alteration of share capital

Subject to the Act, the directors may do anything required to give effect to any resolution altering the company's share capital, including, where a member becomes entitled to a fraction of a share on a consolidation:

- (a) making cash payments;
- (b) determining that fractions may be disregarded in order to adjust the rights of all parties;
- (c) appointing a trustee to deal with any fractions on behalf of members; and

- (d) rounding up each fractional entitlement to the nearest whole share by capitalising any amount available for capitalisation under rule 6.2 even though only some of the members participate in the capitalisation.

4.2 Effect of Stapling

Subject to clause 4.3 while Stapling applies, nothing may be done to alter the share capital of the company in the manner specified in clause 4.1 unless the capital of the Stapled Entities is altered at the same time, in the same manner and to the same extent or which would directly or indirectly result in a Share no longer being Stapled to an Attached Security. This means that the things the company must not do include the following:

- (a) any consolidation or subdivision of its Share capital unless there occurs a contemporaneous proportional consolidation or subdivision of the Attached Securities;
- (b) any reduction in its Share capital unless there occurs a contemporaneous proportional redemption of the Attached Securities; and
- (c) any buy back of any Share capital in itself unless there occurs a contemporaneous buy-back or redemption of the applicable Attached Security.

4.3 Partial reductions of Share capital

The directors may effect a partial reduction of the company's Share capital even if there is no contemporaneous reduction of capital of the Attached Securities, provided that the relevant Stapled Entity (or, where relevant, its responsible entity) agrees to such action.

5 Calls, forfeiture, indemnities, lien and surrender

5.1 Calls

- (a) Subject to the terms on which any shares are issued and the Stapling provisions, the directors may:
 - (1) make calls on the members for any amount unpaid on their shares which is not by the terms of issue of those shares made payable at fixed times; and
 - (2) on the issue of shares, differentiate between members as to the amount of calls to be paid and the time for payment so long as while Stapling applies, the same differentiation is made in respect of the Securities Stapled to those shares.
- (b) The directors may require a call to be paid by instalments.
- (c) The directors must send members notice of a call at least 14 days (or such longer period required by the Listing Rules) before the amount called is due, specifying the time and place of payment.
- (d) Each member must pay to the company by the time and at the place specified the amount called on the member's shares.
- (e) A call is taken to have been made when the resolution of the directors authorising the call is passed.
- (f) The directors may revoke a call or extend the time for payment.
- (g) A call is valid even if a member for any reason does not receive notice of the call.
- (h) If an amount called on a share is not paid in full by the time specified for payment, the person who owes the amount must pay:

- (1) interest on the unpaid part of the amount from the date payment is due to the date payment is made, at a rate determined under rule 5.10; and
 - (2) if the share was issued after the date this constitution is adopted, any costs, expenses or damages the company incurs due to the failure to pay or late payment.
- (i) Any amount unpaid on a share that, by the terms of issue of the share, becomes payable on issue or at a fixed date:
- (1) is treated for the purposes of this constitution as if that amount were payable under a call duly made and notified; and
 - (2) must be paid on the date on which it is payable under the terms of issue of the share.
- (j) The directors may, to the extent the law permits, waive or compromise all or part of any payment due to the company under the terms of issue of a share or under this rule 5.1.

5.2 Effect of Stapling

While Stapling applies, any call must be in respect of a pro rata amount due in respect of the Securities Stapled to those shares, unless the directors and the directors of the Stapled Entity decide otherwise.

5.3 Proceedings to recover calls

- (a) In a proceeding to recover a call, or an amount payable due to the failure to pay or late payment of a call, proof that:
- (1) the name of the defendant is entered in the register as the holder or one of the holders of the share on which the call is claimed;
 - (2) the resolution making the call is recorded in the minute book; and
 - (3) notice of the call was given to the defendant complying with this constitution,
- is conclusive evidence of the obligation to pay the call and it is not necessary to prove the appointment of the directors who made the call or any other matter.
- (b) In rule 5.3(a), **defendant** includes a person against whom the company alleges a set-off or counterclaim, and a **proceeding** to recover a call or an amount is to be interpreted accordingly.

5.4 Payments in advance of calls

- (a) The directors may accept from a member the whole or a part of the amount unpaid on a share even though no part of that amount has been called.
- (b) The directors may authorise payment by the company of interest on an amount accepted under rule 5.4(a), until the amount becomes payable, at a rate agreed between the directors and the member paying the amount.
- (c) While Stapling applies, any advance must be in respect of a pro rata amount due in respect of the Securities Stapled to those shares, unless the directors and the directors of the Stapled Entity decide otherwise.
- (d) The directors may repay to a member any amount accepted under rule 5.4(a).

5.5 Forfeiting partly paid shares

- (a) If a member fails to pay the whole of a call or an instalment of a call by the time specified for payment, the directors may serve a notice on that member:

- (1) requiring payment of the unpaid part of the call or instalment, together with any interest that has accrued and all costs, expenses or damages that the company has incurred due to the failure to pay;
 - (2) naming a further time (at least 14 days after the date of the notice) by which, and a place at which, the amount payable under rule 5.5(a)(1) must be paid; and
 - (3) stating that if the whole of the amount payable under rule 5.5(a)(1) is not paid by the time and at the place named, the shares and the Securities Stapled to those shares on which the call was made will be liable to be forfeited.
- (b) If a member does not comply with a notice served under rule 5.5(a), the directors may by resolution forfeit any share concerning which the notice was given at any time after the day named in the notice and before the payment required by the notice is made.
- (c) A forfeiture under rule 5.5(b) includes all dividends, interest and other amounts payable by the company on the forfeited share and not actually paid before the forfeiture.
- (d) While Stapling applies, any forfeiture must be on the same basis that the Securities Stapled to those shares are also forfeited at the same time and in the same manner.
- (e) Where a share and the Securities Stapled to that share has been forfeited:
- (1) notice of the resolution must be given to the member in whose name the share stood immediately before the forfeiture; and
 - (2) an entry of the forfeiture, with the date, must be made in the register of members.
- (f) Failure to give the notice or to make the entry required under rule 5.5(e) does not invalidate the forfeiture.
- (g) A forfeited share and the Stapled Security to that share becomes the property of the company and the directors may sell, reissue or otherwise dispose of the share and the Securities Stapled as they think fit and, in the case of reissue or other disposal, with or without crediting as paid up any amount paid on the share by any former holder. While Stapling applies, any sale of shares must also be in respect of the Securities Stapled to that share.
- (h) A person whose shares have been forfeited ceases to be a member as to the forfeited shares, but must, if the directors decide, pay to the company:
- (1) all calls, instalments, interest, costs, expenses and damages owing on the shares at the time of the forfeiture; and
 - (2) interest on the unpaid part of the amount payable under rule 5.5(h)(1), from the date of the forfeiture to the date of payment, at a rate determined under rule 5.10.
- (i) The forfeiture of a share extinguishes all interest in, and all claims and demands against the company relating to, the forfeited share and the Securities Stapled to that share and, subject to rule 5.9(i), all other rights attached to the share.
- (j) The directors may:
- (1) exempt a share from all or part of this rule 5.5;
 - (2) waive or compromise all or part of any payment due to the company under this rule 5.5; and
 - (3) before a forfeited share has been sold, reissued or otherwise disposed of, cancel the forfeiture on the conditions they decide.

5.6 Members' indemnity

- (a) If the company becomes liable for any reason under a law to make a payment:

- (1) in respect of shares and the Attached Securities held solely or jointly by a member;
 - (2) in respect of a transfer or transmission of shares and the Attached Securities by a member;
 - (3) in respect of dividends, bonuses or other amounts due or payable or which may become due and payable to a member; or
 - (4) in any other way for, on account of or relating to a member,
- rules 5.6(b) and 5.6(c) apply, in addition to any right or remedy the company may otherwise have.
- (b) The member or, if the member is dead, the member's legal personal representative must:
- (1) fully indemnify the company against that liability;
 - (2) on demand reimburse the company for any payment made; and
 - (3) pay interest on the unpaid part of the amount payable to the company under rule 5.6(b)(2), from the date of demand until the date the company is reimbursed in full for that payment, at a rate determined under rule 5.10.
- (c) The directors may:
- (1) exempt a share and the Securities Stapled to that share from all or part of this rule 5.6; and
 - (2) waive or compromise all or part of any payment due to the company under this rule 5.6.

5.7 Lien on shares

- (a) The company has a first lien on:
- (1) each partly paid share for all unpaid calls and instalments due on that share; and
 - (2) each share for any amounts the company is required by law to pay and has paid in respect of that share.
- In each case the lien extends to reasonable interest and expenses incurred because the amount is not paid.
- (b) The company's lien on a share extends to all dividends payable on the share and to the proceeds of sale of the share.
- (c) The directors may sell a share on which the company has a lien as they think fit where:
- (1) an amount for which a lien exists under this rule 5.7 is presently payable; and
 - (2) the company has given the registered holder a written notice, at least 14 days before the date of the sale, stating and demanding payment of that amount.
- (d) While Stapling applies, any such sale of shares must also be in respect of the shares and Securities Stapled to those shares. The directors may do anything necessary or desirable under the ASTC Settlement Rules to protect any lien, charge or other right to which the company is entitled under this constitution or a law.
- (e) The proceeds of the sale must be received by the company and the money remaining after deducting the expenses of sale must be applied in payment of that part of the amount in respect of which the lien exists as is presently payable. The residue, if any, must (subject to any amounts due in respect of Attached Securities and to a like lien for sums not presently payable as existed upon the shares before the sale) be paid to the person entitled to the shares at the date of the sale.

- (f) When the company registers a transfer of shares on which the company has a lien without giving the transferee notice of its claim, the company's lien is released so far as it relates to amounts owing by the transferor or any predecessor in title.
- (g) The directors may:
- (1) exempt a share from all or part of this rule 5.7; and
 - (2) waive or compromise all or part of any payment due to the company under this rule 5.7,
- only on the basis that, while Stapling applies, the Securities to which the share is Stapled is exempted, waived or compromised at the same time and to the same extent.

5.8 Surrender of shares

- (a) The directors may accept a surrender of a share by way of compromise of a claim.
- (b) Any share so surrendered may be sold, reissued or otherwise disposed in the same manner as a forfeited share.
- (c) Any surrender, sale, reissue or other disposal must be only on the basis that, while Stapling applies, the Securities to which the share is Stapled is exempted, waived or compromised at the same time and to the same extent.

5.9 Sale, reissue or other disposal of shares by the company

- (a) A reference in this rule 5.9 to a sale of a share by the company is a reference to any sale, reissue or other disposal of a share under rule 5.5(g), rule 5.7(c) or rule 7.5.
- (b) When the company sells a share, the directors may:
- (1) receive the purchase money or consideration given for the share;
 - (2) effect a transfer of the share or execute or appoint a person to execute, on behalf of the former holder, a transfer of the share; and
 - (3) register as the holder of the share the person to whom the share is sold.
- (c) A person to whom the company sells shares need not take any steps to investigate the regularity or validity of the sale, or to see how the purchase money or consideration on the sale is applied. That person's title to the shares is not affected by any irregularity by the company in relation to the sale. A sale of the share by the company is valid even if a transmission event occurs to the member before the sale.
- (d) The only remedy of a person who suffers a loss because of a sale of a share by the company is a claim for damages against the company.
- (e) The proceeds of a sale of shares by the company must be applied in paying:
- (1) first, the expenses of the sale;
 - (2) secondly, all amounts payable (whether presently or not) by the former holder to the company,
- and any balance must be paid to the former holder on the former holder delivering to the company proof of title to the shares acceptable to the directors.
- (f) The proceeds of sale arising from a notice under rule 7.5(b) must not be applied in payment of the expenses of the sale and must be paid to the former holder on the former holder delivering to the company proof of title to the shares acceptable to the directors.
- (g) Until the proceeds of a sale of a share sold by the company are claimed or otherwise disposed of according to law, the directors may invest or use the proceeds in any other way for the benefit of the company.

- (h) The company is not required to pay interest on money payable to a former holder under this rule 5.9.
- (i) On completion of a sale, reissue or other disposal of a share under rule 5.5(g), the rights which attach to the share which were extinguished under rule 5.5(i) revive.
- (j) A written statement by a director or secretary of the company that a share in the company has been:
 - (1) duly forfeited under rule 5.5(b);
 - (2) duly sold, reissued or otherwise disposed of under rule 5.5(g); or
 - (3) duly sold under rule 5.7(c) or rule 7.5,on a date stated in the statement is conclusive evidence of the facts stated as against all persons claiming to be entitled to the share, and of the right of the company to forfeit, sell, reissue or otherwise dispose of the share.

5.10 Interest payable by member

- (a) For the purposes of rules 5.1(h)(1), 5.5(h)(2) and 5.6(b)(3), the rate of interest payable to the company is:
 - (1) if the directors have fixed a rate, that rate; or
 - (2) in any other case, a rate per annum 2% higher than the rate prescribed in respect of unpaid judgements in the Supreme Court of the State or Territory in which the company is registered.
- (b) Interest accrues daily and may be capitalised monthly or at such other intervals the directors decide.

6 Distribution of profits

6.1 Dividends

- (a) The directors may pay any interim and final dividends that, in their judgment, the financial position of the company justifies.
- (b) The directors may rescind a decision to pay a dividend if they decide, before the payment date, that the company's financial position no longer justifies the payment.
- (c) The directors may pay any dividend required to be paid under the terms of issue of a share.
- (d) Paying a dividend does not require confirmation at a general meeting.
- (e) Subject to any rights or restrictions attached to any shares or class of shares:
 - (1) all dividends must be paid equally on all shares, except that a partly paid share confers an entitlement only to the proportion of the dividend which the amount paid (not credited) on the share is of the total amounts paid and payable (excluding amounts credited);
 - (2) for the purposes of rule 6.1(e)(1), unless the directors decide otherwise, an amount paid on a share in advance of a call is to be taken as not having been paid until it becomes payable; and
 - (3) interest is not payable by the company on any dividend.
- (f) Subject to the ASTC Settlement Rules, the directors may fix a record date for a dividend, with or without suspending the registration of transfers from that date under rule 7.4.

- (g) Subject to the ASTC Settlement Rules, a dividend in respect of a share must be paid to the person who is registered, or entitled under rule 7.1(c) to be registered, as the holder of the share:
- (1) where the directors have fixed a record date in respect of the dividend, on that date; or
 - (2) where the directors have not fixed a record date in respect of that dividend, on the date fixed for payment of the dividend,
- and a transfer of a share that is not registered, or left with the company for registration under rule 7.1(b), on or before that date is not effective, as against the company, to pass any right to the dividend.
- (h) When resolving to pay a dividend, the directors may:
- (1) direct payment of the dividend wholly or partly by the distribution of specific assets, including paid-up shares or other securities of the company or of another body corporate, either generally or to specific members; and
 - (2) unless prevented by the Listing Rules, direct payment of the dividend to particular members wholly or partly out of any particular fund or reserve or out of profits derived from any particular source, and to the other members wholly or partly out of any other particular fund or reserve or out of profits derived from any other particular source.
- (i) Subject to the ASTC Settlement Rules, where a person is entitled to a share because of a transmission event, the directors may, but need not, retain any dividends payable on that share until that person becomes registered as the holder of that share or transfers it.
- (j) The directors may retain from any dividend payable to a member any amount presently payable by the member to the company and apply the amount retained to the amount owing.
- (k) The directors may decide the method of payment of any dividend or other amount in respect of a share. Different methods of payment may apply to different members or groups of members (such as overseas members). Without limiting any other method of payment which the company may adopt, payment in respect of a share may be made:
- (1) by cheque sent to the address of the member shown in the register of members or, in the case of joint holders, to the address shown in the register of members of any of the joint holders, or to such other address as the member or any of the joint holders in writing direct; or
 - (2) by such electronic or other means approved by the directors directly to an account (of a type approved by the directors) nominated in writing by the member or the joint holders.
- (l) A cheque sent under rule 6.1(k):
- (1) may be made payable to bearer or to the order of the member to whom it is sent or any other person the member directs; and
 - (2) is sent at the member's risk.
- (m) If the directors decide that payments will be made by electronic transfer into an account (of a type approved by directors) nominated by a member, but no such account is nominated by the member or an electronic transfer into a nominated account is rejected or refunded, the company may credit the amount payable to an account of the company to be held until the member nominates a valid account.
- (n) Where a member does not have a registered address or the company believes that a member is not known at the member's registered address, the company may credit an amount payable in respect of the member's shares to an account of the company to be held until the member claims the amount payable or nominates an account into which a payment may be made.

- (o) An amount credited to an account under rules 6.1(m) or 6.1(n) is to be treated as having been paid to the member at the time it is credited to that account. The company will not be a trustee of the money and no interest will accrue on the money.
- (p) If a cheque for an amount payable under rule 6.1(k) is not presented for payment for 11 calendar months after issue or an amount is held in an account under rules 6.1(m) or 6.1(n) for 11 calendar months, the directors may reinvest the amount, after deducting reasonable expenses, into shares in the company on behalf of, and in the name of, the member concerned and may stop payment on the cheque. The shares may be acquired on market or by way of new issue at a price the directors accept is market price at the time. Any residual sum which arises from the reinvestment may be carried forward or donated to charity on behalf of the member, as the directors decide. The company's liability to pay the relevant amount is discharged by an application under this rule 6.1(p). The directors may do anything necessary or desirable (including executing any document) on behalf of the member to effect the application of an amount under this rule 6.1(p). The directors may determine other rules to regulate the operation of this rule 6.1(p) and may delegate their power under this rule to any person.
- (q) While Stapling applies, the directors must not grant any shares unless an offer is made at the same time to issue and allot an identical number of Attached Securities. No offer, other than an offer for an equal number of shares and Attached Securities, will be valid. Shares issued in unequal numbers to the number of Attached Securities issued will be immediately voided and any proceeds received in consideration of these shares shall be returned to subscribers.

6.2 Capitalising profits

- (a) Subject to the Listing Rules, any rights or restrictions attached to any shares or class of shares and any special resolution of the company, the directors may capitalise and distribute among those members who would be entitled to receive dividends and in the same proportions, any amount:
 - (1) forming part of the undivided profits of the company;
 - (2) representing profits arising from an ascertained accretion to capital or a revaluation of the assets of the company;
 - (3) arising from the realisation of any assets of the company; or
 - (4) otherwise available for distribution as a dividend.
- (b) The directors may resolve that all or any part of the capitalised amount is to be applied:
 - (1) in paying up in full, at an issue price decided by the resolution, any unissued shares in or other securities of the company;
 - (2) in paying up any amounts unpaid on shares or other securities held by the members; or
 - (3) partly as specified in rule 6.2(b)(1) and partly as specified in rule 6.2(b)(2).

The members entitled to share in the distribution must accept that application in full satisfaction of their interest in the capitalised amount.
- (c) Rules 6.1(e), 6.1(f) and 6.1(g) apply, so far as they can and with any necessary changes, to capitalising an amount under this rule 6.2 as if references in those rules to:
 - (1) a dividend were references to capitalising an amount; and
 - (2) a record date were references to the date the directors resolve to capitalise the amount under this rule 6.2.
- (d) Where in accordance with the terms and conditions on which options to take up shares are granted (and being options existing at the date of the passing of the resolution referred to in rule 6.2(b)) a holder of those options will be entitled to an issue of bonus shares under this rule 6.2, the directors may in determining the number of unissued

shares to be so issued, allow in an appropriate manner for the future issue of bonus shares to options holders.

6.3 Ancillary powers

- (a) To give effect to any resolution to reduce the capital of the company, to satisfy a dividend as set out in rule 6.1(h)(1) or to capitalise any amount under rule 6.2, the directors may:
- (1) settle as they think expedient any difficulty that arises in making the distribution or capitalisation and, in particular, make cash payments in cases where members are entitled to fractions of shares or other securities and decide that amounts or fractions of less than a particular value decided by the directors may be disregarded in order to adjust the rights of all parties;
 - (2) fix the value for distribution of any specific assets;
 - (3) pay cash or issue shares or other securities to any member in order to adjust the rights of all parties;
 - (4) vest any of those specific assets, cash, shares or other securities in a trustee on trust for the persons entitled to the distribution or capitalised amount that seem expedient to the directors; and
 - (5) authorise any person to make, on behalf of all the members entitled to any specific assets, cash, shares or other securities as a result of the distribution or capitalisation, an agreement with the company or another person which provides, as appropriate, for the distribution or issue to them of shares or other securities credited as fully paid up or for payment by the company on their behalf of the amounts or any part of the amounts remaining unpaid on their existing shares or other securities by applying their respective proportions of the amount resolved to be distributed or capitalised.
- (b) Any agreement made under an authority referred to in rule 6.3(a)(5) is effective and binds all members concerned.
- (c) If a distribution or issue of specific assets, shares or securities to a particular member or members is in the directors' discretion considered impracticable or would give rise to parcels of securities which do not constitute a marketable parcel, the directors may make a cash payment to those members or allocate the assets, shares or securities to a trustee to be sold on behalf of, and for the benefit of, those members, instead of making the distribution or issue to those members.
- (d) If the company distributes to members (either generally or to specific members) securities in the company or in another body corporate or trust (whether as a dividend or otherwise and whether or not for value), each of those members appoints the company as his or her agent to do anything needed to give effect to that distribution, including agreeing to become a member of that other body corporate.

6.4 Reserves

- (a) The directors may set aside out of the company's profits any reserves or provisions they decide.
- (b) The directors may appropriate to the company's profits any amount previously set aside as a reserve or provision.
- (c) Setting aside an amount as a reserve or provision does not require the directors to keep the amount separate from the company's other assets or prevent the amount being used in the company's business or being invested as the directors decide.

6.5 Carrying forward profits

The directors may carry forward any part of the profits remaining that they consider should not be distributed as dividends or capitalised, without transferring those profits to a reserve or provision.

6.6 Share investment plan

The directors may:

- (a) establish a share investment plan on terms they decide, under which:
 - (1) the whole or any part of any dividend or interest due to members or holders of any convertible securities of the company who participate in the plan on their shares or any class of shares or any convertible securities; or
 - (2) any other amount payable to members,may be applied in subscribing for or purchasing securities of the company or of a related body corporate; and
- (b) amend, suspend or terminate a share investment plan.

6.7 Dividend selection plans

The directors may:

- (a) implement a dividend selection plan on terms they decide, under which participants may choose:
 - (1) to receive a dividend from the company paid wholly or partly out of any particular fund or reserve or out of profits derived from any particular source; or
 - (2) to forego a dividend from the company in place of some other form of distribution from the company or another body corporate or a trust; and
- (b) amend, suspend or terminate a dividend selection plan.

7 Transfer and transmission of shares

7.1 Transferring shares

- (a) Subject to this constitution and to any restrictions attached to a member's shares, a member may transfer any of the member's shares by:
 - (1) a Proper ASTC Transfer; or
 - (2) a written transfer in any usual form or in any other form approved by the directors.
- (b) A transfer referred to in rule 7.1(a)(2) must be:
 - (1) signed by or on behalf of both the transferor and the transferee unless the transfer relates only to fully paid shares and the directors have dispensed with a signature by the transferee or the transfer of the shares is effected by a document which is, or documents which together are, a sufficient transfer of those shares under the Act;
 - (2) if required by law to be stamped, duly stamped; and
 - (3) left for registration at the company's registered office, or at any other place the directors decide, with such evidence the directors require to prove the

transferor's title or right to the shares and the transferee's right to be registered as the owner of the shares.

- (c) Subject to the powers vested in the directors under rules 7.3(a) and 7.4, where the company receives a transfer complying with rule 7.1, the company must register the transferee named in the transfer as the holder of the shares to which it relates.
- (d) A transferor of shares remains the holder of the shares until a Proper ASTC Transfer has been effected or the transferee's name is entered in the register of members as the holder of the shares.
- (e) The company must not charge a fee for registering a transfer of shares.
- (f) The company may retain a registered transfer for any period the directors decide.
- (g) The directors may do anything that is necessary or desirable for the company to participate in any computerised, electronic or other system for facilitating the transfer of shares or operation of the company's registers that may be owned, operated or sponsored by the Exchange or a related body corporate of the Exchange.
- (h) The directors may, to the extent the law permits, waive any of the requirements of this rule 7.1 and prescribe alternative requirements instead, whether to give effect to rule 7.1(g) or for another purpose.

7.2 Effect of Stapling

While Stapling applies:

- (a) a transfer of a share forming part of a Stapled Security will only be accepted as a proper transfer in registrable form if, in addition to the requirements of this clause 7, the transfer is accompanied by a transfer of Attached Securities in favour of the same transferee;
- (b) a transfer of a share which is not accompanied by a transfer of Attached Securities will be taken to authorise the directors as agent for the transferor to effect a transfer of Attached Securities to the same transferee;
- (c) a transfer of any Attached Securities which is not accompanied by a transfer of the share will be taken to authorise the directors as agent for the transferor to effect a transfer of the share to which the Attached Securities are Stapled to the same transferee;
- (d) any provision of this document which contemplates the transfer of a share will be taken to be a reference to the transfer of a Stapled Security unless the contrary intention expressly applies; and
- (e) the same rules as for the transfer of Attached Securities and shares apply to options.

7.3 Power to decline to register transfers

- (a) The directors may decline to register, or prevent registration of, a transfer of shares or apply a holding lock to prevent a transfer in accordance with the Act or the Listing Rules where:
 - (1) the transfer is not in registrable form;
 - (2) the company has a lien on any of the shares transferred;
 - (3) registration of the transfer may breach a law of Australia;
 - (4) the transfer is paper-based and registration of the transfer will create a new holding which, at the time the transfer is lodged, is less than a marketable parcel;
 - (5) the transfer is not permitted under the terms of an employee share plan; or

- (6) the company is otherwise permitted or required to do so under the Listing Rules or, except for a Proper ASTC Transfer, under the terms of issue of the shares.
- (b) If the directors decline to register a transfer, the company must give notice of the refusal as required by the Act and the Listing Rules. Failure to give that notice will not invalidate the decision of the directors to decline to register the transfer.
- (c) The directors may delegate their authority under this rule 7.3 to any person.

7.4 Power to suspend registration of transfers

The directors may suspend the registration of transfers at any times, and for any periods, permitted by the ASTC Settlement Rules that they decide.

7.5 Selling non-marketable parcels

- (a) This rule 7.5 enables the directors to sell shares which constitute less than a marketable parcel by following certain procedures.
- (b) The directors may send to a member who holds on the date decided by the directors less than a marketable parcel of shares in a class of shares of the company a notice which:
 - (1) explains the effect of the notice under this rule 7.5; and
 - (2) advises the holder that he or she may choose to be exempt from the provisions of this rule. A form of election for that purpose must be sent with the notice.
- (c) If, before 5.00pm Melbourne time on a date specified in the notice which is no earlier than 6 weeks after the notice is sent:
 - (1) the company has not received a notice from the member choosing to be exempt from the provisions of this rule 7.5; and
 - (2) the member has not increased his or her shareholding to a marketable parcel,the member is taken to have irrevocably appointed the company as his or her agent to do anything in rule 7.5(e).
- (d) In addition to initiating a sale by sending a notice under rule 7.5(b), the directors may also initiate a sale if a member holds less than a marketable parcel and that holding was created by a transfer of a parcel of shares effected on or after 1 September 1999 that was less than a marketable parcel at the time that the transfer document was initiated or, in the case of a paper based transfer document, was lodged with the company. In that case:
 - (1) the member is taken to have irrevocably appointed the company as his or her agent to do anything in rule 7.5(e); and
 - (2) if the holding was created after the adoption of this rule, the directors may remove or change the member's rights to vote or receive dividends in respect of those shares. Any dividends withheld must be sent to the former holder after the sale once the former holder delivers to the company such proof of title as the directors accept.
- (e) The company may:
 - (1) sell the shares and Attached Securities constituting less than a marketable parcel as soon as practicable at a price which the directors consider is the best price reasonably available for the shares and Attached Securities when they are sold;
 - (2) deal with the proceeds of sale under rule 5.9; and

- (3) receive any disclosure document, including a financial services guide, as agent for the member.
- (f) The costs and expenses of any sale of shares arising from a notice under rule 7.5(b) (including brokerage and stamp duty) are payable by the purchaser or by the company.
- (g) A notice under rule 7.5(b) may be given to a member only once in a 12 month period and may not be given during the offer period of a takeover bid for the company.
- (h) If a takeover bid is announced after a notice is given but before an agreement is entered into for the sale of the shares and Attached Securities, this rule ceases to operate for those shares. - (d) A notice given to a member under rules 17.1(a) or 17.1(b) is, even if a transmission event has occurred and whether or not the company has notice of that occurrence:

 - (2) sufficiently served on any person entitled to the shares because of the transmission event.

- (g) A signature to any notice given by the company to a member under this rule 17.1 may be printed or affixed by some mechanical or other means.
- (h) Where a member does not have a registered address or where the company believes that member is not known at the member's registered address, all notices are taken to be:
- (1) given to the member if the notice is exhibited in the company's registered office for a period of 48 hours; and
 - (2) served at the commencement of that period,
- unless and until the member informs the company of the member's address.

17.4 Time of service

17.5 Other communications and documents

17.6 Written notices

A reference in this constitution to a written notice includes a notice given by fax or other electronic means. A signature to a written notice need not be handwritten.

18 Stapling

18.1 Stapling

The directors may at any time Staple each ordinary Share of the company to one or more Securities of another entity, to form Stapled Securities, such that the other entity becomes a Stapled Entity.

18.2 Ability of Directors to Staple

The directors may at any time staple an un-Stapled ordinary share to a security of the Stapled Entity.

18.3 Issue of Stapled Securities required

While Stapling applies, the directors must not issue shares unless it is satisfied that each of those shares will be Stapled to Attached Securities to form a Stapled Security.

18.4 Paramountcy of Stapling

- (a) While Stapling applies, no director or any member must do any act, matter or thing nor refrain from doing any act, matter or thing if to do so or refrain from doing so (as the case may be) would result directly or indirectly in any ordinary share no longer being Stapled as a Stapled Security.
- (b) While Stapling applies, the directors must use every endeavour to procure that the Stapled Securities are listed on the Exchange as one joint Security and that shares are dealt with under this document in a manner consistent with the provisions of the constitutions of the Stapled Entities as regards shares Stapled with those Securities.
- (c) However, nothing in clause 18 prohibits the directors from determining the Unstapling Date.

18.5 Unstapling Date

- (a) Subject to the Act, the Listing Rules and approval by special resolutions of the members and the members of each Stapled Entity respectively, the directors may determine that the Stapling provisions of this document will cease to apply and that a particular date is to be the Unstapling Date.
- (b) On and from the Unstapling Date, each share ceases to be Stapled to each Attached Security and the directors must do all things reasonably necessary to procure that each share is Unstapled.
- (c) If the directors determine to Unstaple the Stapled Securities, this does not prevent the directors from (subject to the same resolutions of the members and members of the Attached Securities) doing the following:
 - (1) subsequently determining that the Stapling provisions should recommence; and
 - (2) Stapling an Unstapled share to each Security which is not Stapled.

18.6 Variation of Stapling provisions

While Stapling applies, the consent of each Stapled Entity must be obtained to any amendment to this document which does either of the following:

- (a) directly affects the terms on which shares are Stapled; or

- (b) removes any restriction on the transfer of Attached Securities unless that restriction also exists for Unstapled shares and is simultaneously removed for Unstapled shares.

19 General

19.1 Submission to jurisdiction

Each member submits to the non-exclusive jurisdiction of the Supreme Court of the State or Territory in which the company is taken to be registered for the purposes of the Act, the Federal Court of Australia and the courts which may hear appeals from those courts.

19.2 Prohibition and enforceability

- (a) Any provision of, or the application of any provision of, this constitution which is prohibited in any place is, in that place, ineffective only to the extent of that prohibition.
- (b) Any provision of, or the application of any provision of, this constitution which is void, illegal or unenforceable in any place does not affect the validity, legality or enforceability of that provision in any other place or of the remaining provisions in that or any other place.
